CERTIFICATE OF ATTAINMENT

This is to certify that

has attended and successfully completed the course assessment and examination for the

DPDPA CONSENT MANAGER COMPLIANCE TRAINING PROGRAMME

DPDPA Consent Manager Compliance Training Programme is designed as a self-paced online course, delivered through structured, self-paced modules covering the specified learning areas, to provide learners with comprehensive knowledge and practical competence in digital personal data protection, consent management, Data Principal rights, privacy governance, Consent Manager operations, security controls, audit evidence, and compliance practices under India's Digital Personal Data Protection framework.

This certificate demonstrates successful completion of the prescribed training and assessment requirements for competence in understanding and applying key Consent Manager and privacy compliance principles. Training and assessment were conducted with reference to the Digital Personal Data Protection Act, 2023 and the Digital Personal Data Protection Rules, 2025, with emphasis on consent lifecycle management, Consent Manager responsibilities, Data Principal rights, registration-related requirements, privacy and security controls, rights request handling, audit readiness, evidence management, and practical compliance implementation.

Duration : **4 Hours**

Mode: **E-Learning, Video-based, Self-paced**
