SUSTAINABLE FUTURES TRAININGS

CERTIFICATE OF ATTAINMENT

This is to certify that

has attended and successfully completed the course assessment and examination for the

ISO/IEC 17021-1:2015
[GUIDANCE FOR INTERNAL AUDITING OF FSMS BY CERTIFICATION BODIES]

This certificate confirms successful completion of the Prerequisite Programs (PRPs) under ISO 22000:2018: Implementation, Compliance & Audit Readiness training programme. Training and assessment were delivered through structured, self-paced modules covering Food Safety Management System (FSMS) foundations, ISO 22000:2018 requirements, the PDCA framework, organizational context and leadership, planning and support, prerequisite programmes, operational controls, infrastructure, utilities, hygiene, sanitation, contamination prevention, traceability, emergency preparedness, monitoring, verification, nonconformity control, and internal auditing practices.
The course included a written examination and competency assessment covering the selection, implementation, maintenance, monitoring, verification, and evaluation of PRPs; food safety hazards and contamination-control measures; infrastructure and environmental controls; personnel hygiene; cleaning and sanitation systems; traceability and emergency-response arrangements; monitoring and verification activities; management of nonconformities and corrective actions; assessment of FSMS effectiveness; and the planning, execution, reporting, and follow-up of internal audits. The training was aligned with ISO 22000:2018 – Food Safety Management Systems — Requirements for Any Organization in the Food Chain, together with applicable prerequisite programme principles and internationally recognized food safety management and auditing practices.

Overall Grade:

Training Program : ISO/IEC 17021-1:2015 [GUIDANCE FOR INTERNAL AUDITING OF FSMS BY CERTIFICATION BODIES]

This transcript records the curriculum and assessment activities completed by the participant under the Prerequisite Programs (PRPs) under ISO 22000:2018: Implementation, Compliance & Audit Readiness training programme. The programme develops practical understanding of Food Safety Management System (FSMS) foundations, ISO 22000:2018 requirements, prerequisite programmes, operational food safety controls, monitoring, verification, nonconformity management, and audit readiness.

The training is delivered as a structured self-paced e-learning programme covering FSMS foundations, the PDCA framework, organizational context and leadership, planning and support, PRP selection and implementation, infrastructure controls, operational PRPs, utilities and environmental controls, contamination prevention, hygiene systems, cleaning and sanitation, traceability, emergency preparedness, monitoring and verification, corrective actions, system effectiveness, and internal auditing skills through practical scenarios, examples, and knowledge checks.

Course Curriculum	Description
Introduction - ISO/IEC 17021-1:2015 including guidance for internal auditing of FSMS by Certification Bodies	This module provides practical guidance on ISO/IEC 17021-1:2015 requirements, FSMS internal auditing, certification processes, and accreditation compliance for certification bodies.
ISO/IEC 17021-1:2015 Training: Introduction to Certification and Conformity Assessment	This module provides an introduction to certification, conformity assessment, audit types, accreditation, and the key principles of ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Training: Certification Credibility, Scope, and Audit Process Foundations	This module provides an overview of certification credibility, audit stages, scope definition, impartiality, and the core principles of ISO/IEC 17021-1 certification processes
ISO/IEC 17021-1:2015 Training: Structure and Accreditation Ecosystem	This module provides an overview of ISO/IEC 17021-1:2015 structure, accreditation requirements, certification body governance, impartiality, competence, and certification processes
ISO/IEC 17021-1:2015 Training: Implementation Readiness and Gap Assessment	Explores implementation readiness, gap assessment, certification processes, audit planning, and corrective action planning for ISO/IEC 17021-1:2015 compliance
ISO/IEC 17021-1:2015 Training: Gap Scoring, Evidence Control, and Impartiality Readiness	Focuses on gap scoring, evidence management, documented information control, impartiality, and accreditation readiness for ISO/IEC 17021-1:2015 certification bodies.
ISO/IEC 17021-1:2015 Training: Competence Readiness, Audit Programme, and Accreditation Preparation	Covers auditor competence, audit programme management, certification readiness, accreditation preparation, and continual compliance with ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Training: Legal and Contractual Matters for Certification Bodies	Explains the legal, contractual, impartiality, and certification requirements that support compliant and credible certification body operations under ISO/IEC 17021-1:2015
ISO/IEC 17021-1:2015 Training: Impartiality, Audit Processes, and Competence Management	Focuses on impartiality, audit processes, competence management, information control, risk management, and continual improvement in certification body operations under ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Training: Principles of Credible Certification	Highlights the core principles of credible certification, including impartiality, competence, objectivity, transparency, confidentiality, and effective complaint handling under ISO/IEC 17021-1:2015
ISO/IEC 17021-1:2015 Training: Certification Principles, Decision Control, and Continual Improvement	Covers certification principles, decision-making, auditor competence, surveillance, risk-based auditing, corrective actions, and continual improvement under ISO/IEC 17021-1:2015
ISO/IEC 17021-1:2015 Training: General Requirements for Certification Bodies	Explains the general requirements for certification bodies, including legal accountability, impartiality, independence, and certification agreements
ISO/IEC 17021-1:2015 Training: Structural Requirements for Certification Bodies	Covers the structural requirements for certification bodies, including governance, impartiality, and management responsibilities
ISO/IEC 17021-1:2015 Training: Resource Requirements for Certification Bodies	Explains the resource requirements for certification bodies, including personnel competence, auditor management, impartiality, confidentiality, and resource planning
ISO/IEC 17021-1:2015 Training: Personnel Records, Outsourcing, and Competence Maintenance	Focuses on personnel records, outsourced activities, competence maintenance, impartiality, and accreditation readiness for certification bodies
ISO/IEC 17021-1:2015 Training: Information Requirements for Certification Bodies	Covers information requirements for certification bodies, including public information, confidentiality, and certificate management.
ISO/IEC 17021-1:2015 Training: Certification Mark Usage, Obligations, and Enforcement	Explains certification mark usage, client obligations, misuse prevention, and enforcement requirements for maintaining certification integrity.
ISO/IEC 17021-1:2015 Training: Confidentiality and Information Exchange in Certification	Covers confidentiality, information exchange, client communication, and secure information management in certification activities.
ISO/IEC 17021-1:2015 Training: Confidentiality, Information Exchange, and Notification Control	Focuses on confidentiality, information exchange, change notification, and compliance requirements for certification bodies under ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Training: Certification Body Processes and Audit Planning	Covers certification body processes, application review, audit planning, audit programme management, and Stage 1 audit preparation.
ISO/IEC 17021-1:2015 Training: Audit Execution, Certification Decision, and Certification Maintenance	Explains audit execution, certification decisions, surveillance, recertification, and certification maintenance under ISO/IEC 17021-1:2015
ISO/IEC 17021-1:2015 Training: Certification Body Processes, Audit Conduct, and Certification Decisions	Covers certification body processes, audit planning, audit conduct, nonconformity management, and certification decision-making under ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Training: Post-Certification Activities and Certification Process Control	Focuses on post-certification activities, surveillance, recertification, certification status, complaints, appeals, and certification process control.
ISO/IEC 17021-1:2015 Training: Management System Requirements for Certification Bodies	Explains management system requirements, document control, internal audits, management review, and continual improvement for certification bodies under ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Training: Advanced Management System Controls and Corrective Actions	Covers advanced management system controls, internal audits, corrective actions, root cause analysis, and continual improvement for certification bodies.
ISO/IEC 17021-1:2015 Training: Practical Application of Management System Requirements	Focuses on the practical application of management system requirements, internal audits, management reviews, document control, and corrective actions for certification bodies.
ISO/IEC 17021-1:2015 Training: Annex A Required Knowledge and Skills for Certification Personnel	Explains the required knowledge and skills for certification personnel, including audit techniques, management systems, technical competence, and certification processes.
ISO/IEC 17021-1:2015 Training: Evaluating Auditor Competence and Annex A Application	Focuses on auditor competence evaluation, authorization, Annex A requirements, audit skills, and competence management for certification bodies
ISO/IEC 17021-1:2015 Training: Annex B Auditor Competence Evaluation Methods	Explains Annex B auditor competence evaluation methods, including interviews, witness audits, examinations, feedback, and evidence-based assessor decisions.
ISO/IEC 17021-1:2015 Training: Annex A Auditor Knowledge, Skills, and Competence Management	Covers Annex A auditor knowledge, skills, competence management, professional development, and audit team leadership requirements.
ISO/IEC 17021-1:2015 Training: Templates, Records, Registers, and Checklists for Certification Bodies	Explains certification body templates, records, registers, checklists, and document control for effective certification management and accreditation readiness.
ISO/IEC 17021-1:2015 Training: Impartiality, Confidentiality, Liability, and Certification Records	Covers impartiality, confidentiality, liability, certification records, and documentation controls for effective certification body management.
ISO/IEC 17021-1:2015 Training: NABCB Assessment Readiness and Common Nonconformities	Focuses on NABCB assessment readiness, accreditation preparation, evidence management, common nonconformities, and corrective actions for certification bodies.
ISO/IEC 17021-1:2015 Training: IAF Mandatory Documents and NABCB Requirements	Covers NABCB assessment readiness, process nonconformities, corrective action responses, and continuous compliance for certification bodies.
ISO/IEC 17021-1:2015 Training: Advanced IAF Mandatory Documents and NABCB Accreditation Requirements	Explains IAF Mandatory Documents, NABCB requirements, and their application in certification, auditing, and accreditation readiness.
ISO/IEC 17021-1:2015 Training: Multi-Site Certification, Certificate Transfer, Integrated Audits, and Remote Certification Controls	Covers advanced IAF Mandatory Documents, NABCB accreditation requirements, audit management, certification controls, and assessment readiness.
ISO/IEC 17021-1:2015 Training: Scheme-Specific Standards, Technical Areas, Scope Management, and Mock NABCB Assessment	Explains multi-site certification, certificate transfer, remote audit controls, and evidence-based certification management under ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Certification Body Auditor Training Programme	Provides comprehensive training on certification body auditing, audit management, certification processes, IAF requirements, and accreditation readiness under ISO/IEC 17021-1:2015.
ISO/IEC 17021-1:2015 Training: Multi-Site, Transfer, Integrated, and Remote Certification Controls	Provides comprehensive training on certification body auditing, certification processes, auditor competence, IAF Mandatory Documents, and NABCB accreditation readiness under ISO/IEC 17021-1:2015.

This transcript forms an integral part of the Certificate of Attainment and must be read in conjunction with it.
