PROGRAM TRANSCRIPT

Name : Jane Doe

Overall Grade: 85%

Training Program : ISO/IEC 17021-1:2015 INCLUDING GUIDANCE FOR INTERNAL AUDITING OF FSMS BY CERTIFICATION BODIES

This transcript outlines the curriculum and assessments completed under the ISO/IEC 17021-1:2015 Certification Body Auditor Training Programme, aligned with ISO/IEC 17021-1:2015, applicable IAF Mandatory Documents, and NABCB accreditation requirements.

Course Curriculum	Description
Introduction - ISO/IEC 17021-1:2015 including guidance for internal auditing of FSMS by Certification Bodies ISO/IEC 17021-1:2015 Training: Introduction to Certification and Conformity Assessment ISO/IEC 17021-1:2015 Training: Certification Credibility, Scope, and Audit Process Foundations ISO/IEC 17021-1:2015 Training: Structure and Accreditation Ecosystem ISO/IEC 17021-1:2015 Training: Implementation Readiness and Gap Assessment ISO/IEC 17021-1:2015 Training: Gap Scoring, Evidence Control, and Impartiality Readiness ISO/IEC 17021-1:2015 Training: Competence Readiness, Audit Programme, and Accreditation Preparation ISO/IEC 17021-1:2015 Training: Legal and Contractual Matters for Certification Bodies ISO/IEC 17021-1:2015 Training: Impartiality, Audit Processes, and Competence Management ISO/IEC 17021-1:2015 Training: Principles of Credible Certification ISO/IEC 17021-1:2015 Training: Certification Principles, Decision Control, and Continual Improvement ISO/IEC 17021-1:2015 Training: General Requirements for Certification Bodies ISO/IEC 17021-1:2015 Training: Structural Requirements for Certification Bodies ISO/IEC 17021-1:2015 Training: Resource Requirements for Certification Bodies ISO/IEC 17021-1:2015 Training: Personnel Records, Outsourcing, and Competence Maintenance ISO/IEC 17021-1:2015 Training: Information Requirements for Certification Bodies ISO/IEC 17021-1:2015 Training: Certification Mark Usage, Obligations, and Enforcement ISO/IEC 17021-1:2015 Training: Confidentiality and Information Exchange in Certification ISO/IEC 17021-1:2015 Training: Confidentiality, Information Exchange, and Notification Control ISO/IEC 17021-1:2015 Training: Certification Body Processes and Audit Planning ISO/IEC 17021-1:2015 Training: Audit Execution, Certification Decision, and Certification Maintenance ISO/IEC 17021-1:2015 Training: Certification Body Processes, Audit Conduct, and Certification Decisions ISO/IEC 17021-1:2015 Training: Post-Certification Activities and Certification Process Control ISO/IEC 17021-1:2015 Training: Management System Requirements for Certification Bodies ISO/IEC 17021-1:2015 Training: Advanced Management System Controls and Corrective Actions ISO/IEC 17021-1:2015 Training: Practical Application of Management System Requirements ISO/IEC 17021-1:2015 Training: Annex A Required Knowledge and Skills for Certification Personnel ISO/IEC 17021-1:2015 Training: Evaluating Auditor Competence and Annex A Application ISO/IEC 17021-1:2015 Training: Annex B Auditor Competence Evaluation Methods ISO/IEC 17021-1:2015 Training: Annex A Auditor Knowledge, Skills, and Competence Management ISO/IEC 17021-1:2015 Training: Templates, Records, Registers, and Checklists for Certification Bodies ISO/IEC 17021-1:2015 Training: Impartiality, Confidentiality, Liability, and Certification Records ISO/IEC 17021-1:2015 Training: NABCB Assessment Readiness and Common Nonconformities ISO/IEC 17021-1:2015 Training: IAF Mandatory Documents and NABCB Requirements ISO/IEC 17021-1:2015 Training: Advanced IAF Mandatory Documents and NABCB Accreditation Requirements ISO/IEC 17021-1:2015 Training: Multi-Site Certification, Certificate Transfer, Integrated Audits, and Remote Certification Controls ISO/IEC 17021-1:2015 Training: Scheme-Specific Standards, Technical Areas, Scope Management, and Mock NABCB Assessment ISO/IEC 17021-1:2015 Certification Body Auditor Training Programme ISO/IEC 17021-1:2015 Training: Multi-Site, Transfer, Integrated, and Remote Certification Controls	This module provides practical guidance on ISO/IEC 17021-1:2015 requirements, FSMS internal auditing, certification processes, and accreditation compliance for certification bodies. This module provides an introduction to certification, conformity assessment, audit types, accreditation, and the key principles of ISO/IEC 17021-1:2015. This module provides an overview of certification credibility, audit stages, scope definition, impartiality, and the core principles of ISO/IEC 17021-1 certification processes This module provides an overview of ISO/IEC 17021-1:2015 structure, accreditation requirements, certification body governance, impartiality, competence, and certification processes Explores implementation readiness, gap assessment, certification processes, audit planning, and corrective action planning for ISO/IEC 17021-1:2015 compliance Focuses on gap scoring, evidence management, documented information control, impartiality, and accreditation readiness for ISO/IEC 17021-1:2015 certification bodies. Covers auditor competence, audit programme management, certification readiness, accreditation preparation, and continual compliance with ISO/IEC 17021-1:2015. Explains the legal, contractual, impartiality, and certification requirements that support compliant and credible certification body operations under ISO/IEC 17021-1:2015 Focuses on impartiality, audit processes, competence management, information control, risk management, and continual improvement in certification body operations under ISO/IEC 17021-1:2015. Highlights the core principles of credible certification, including impartiality, competence, objectivity, transparency, confidentiality, and effective complaint handling under ISO/IEC 17021-1:2015 Covers certification principles, decision-making, auditor competence, surveillance, risk-based auditing, corrective actions, and continual improvement under ISO/IEC 17021-1:2015 Explains the general requirements for certification bodies, including legal accountability, impartiality, independence, and certification agreements Covers the structural requirements for certification bodies, including governance, impartiality, and management responsibilities Explains the resource requirements for certification bodies, including personnel competence, auditor management, impartiality, confidentiality, and resource planning Focuses on personnel records, outsourced activities, competence maintenance, impartiality, and accreditation readiness for certification bodies Covers information requirements for certification bodies, including public information, confidentiality, and certificate management. Explains certification mark usage, client obligations, misuse prevention, and enforcement requirements for maintaining certification integrity. Covers confidentiality, information exchange, client communication, and secure information management in certification activities. Focuses on confidentiality, information exchange, change notification, and compliance requirements for certification bodies under ISO/IEC 17021-1:2015. Covers certification body processes, application review, audit planning, audit programme management, and Stage 1 audit preparation. Explains audit execution, certification decisions, surveillance, recertification, and certification maintenance under ISO/IEC 17021-1:2015 Covers certification body processes, audit planning, audit conduct, nonconformity management, and certification decision-making under ISO/IEC 17021-1:2015. Focuses on post-certification activities, surveillance, recertification, certification status, complaints, appeals, and certification process control. Explains management system requirements, document control, internal audits, management review, and continual improvement for certification bodies under ISO/IEC 17021-1:2015. Covers advanced management system controls, internal audits, corrective actions, root cause analysis, and continual improvement for certification bodies. Focuses on the practical application of management system requirements, internal audits, management reviews, document control, and corrective actions for certification bodies. Explains the required knowledge and skills for certification personnel, including audit techniques, management systems, technical competence, and certification processes. Focuses on auditor competence evaluation, authorization, Annex A requirements, audit skills, and competence management for certification bodies Explains Annex B auditor competence evaluation methods, including interviews, witness audits, examinations, feedback, and evidence-based assessor decisions. Covers Annex A auditor knowledge, skills, competence management, professional development, and audit team leadership requirements. Explains certification body templates, records, registers, checklists, and document control for effective certification management and accreditation readiness. Covers impartiality, confidentiality, liability, certification records, and documentation controls for effective certification body management. Focuses on NABCB assessment readiness, accreditation preparation, evidence management, common nonconformities, and corrective actions for certification bodies. Covers NABCB assessment readiness, process nonconformities, corrective action responses, and continuous compliance for certification bodies. Explains IAF Mandatory Documents, NABCB requirements, and their application in certification, auditing, and accreditation readiness. Covers advanced IAF Mandatory Documents, NABCB accreditation requirements, audit management, certification controls, and assessment readiness. Explains multi-site certification, certificate transfer, remote audit controls, and evidence-based certification management under ISO/IEC 17021-1:2015. Provides comprehensive training on certification body auditing, audit management, certification processes, IAF requirements, and accreditation readiness under ISO/IEC 17021-1:2015. Provides comprehensive training on certification body auditing, certification processes, auditor competence, IAF Mandatory Documents, and NABCB accreditation readiness under ISO/IEC 17021-1:2015.
